

MISSION STATEMENT

Air Nostalgia Foundation

“Fly Back In Time”

The Air Nostalgia foundation is dedicated to the acquisition of and restoration to flying condition classic propeller-driven passenger airliners for the purpose of:

1. Allowing the public to experience the culturally enriching experience of Golden Age air travel on regularly chartered domestic flights.
2. Delivering emergency disaster relief and medical supplies to natural disaster victims.
3. Transporting underprivileged children with life-threatening health conditions to premier medical centers for specialty treatment.
